DID YOU KNOW

Arthur C. Clarke famously claimed: Any sufficiently advanced **technology** is indistinguishable from **magic**. ... In other words, the only **difference between technology and magic**, is that the one is something that we understand today; the other something that we do not yet understand, but eventually will.

Riddle OF THE DAY

What is a cheerleader's favorite breakfast food??

It's the second full day of Maccabiah! Both teams are doing so well!! So many fun and exciting events still to come!!

FLAG RAISING/LOWERING

Today: BLUE TEAM

Tomorrow: LTP Girls!

TODAY'S EVENTS INCLUDE:

- The Relay!
- Sports and Arts Events!

Sir Arthur Charles Clarke was a British science fiction writer, science writer and futurist, inventor, undersea explorer, and television series host. (see his quote about magic and technology on the other side)

MEAL TIME MATH

During the relay Adin was counting beads. There are 296 beads total. 107 are yellow and 72 are black. If there are only three different colors, how many of the third color are there?

LAUNDRY DAY!!!!

Today: Rishonim! ALSO – TODAY IS THE LAST DAY OF LAUNDRY FOR THE SUMMER! If you have laundry, put it in!!

Riddle OF THE DAY ANSWER..

Cheer-ios!

Do you have a good joke? Write it down and give it to your unit head, maybe you'll see it on the next Stein Times!
